## PORTHOLE

## Late May 2019

Yes! Another classic night of entertainment and food in the club on Saturday 11<sup>th</sup> May. Although a little thin on the ground due to holidays 50 in all, the musical duo (Primal Suspects) did us proud.

Sally's team put on yet another great feast and the band played on until after the bar closed.

I did have one or two people say that they were brilliant, as they truly were, playing a varied set of old and new songs.

Yes! We will be having them back next year.

Thank you again for supporting our clubs events.

See you all again soon at the June BBQ with the Presidents favourite band 'Kickback'.

Very best regards.

Pete!

Primal Suspects.

The following Saturday, 18<sup>th</sup> May, saw a fleet of 11 club boats, embark upon our wild west voyage to conquer an uninhabited island at Naburn lock.

It was great to have a rally with a full complement of flag officers, guiding YMYC members in the pastime which unites us.      OUR BOATS !!!!

Thanks to Steve and Yvonne for a great day and for putting so much effort into the organisation and planning. The weather stayed dry, and great fun was had with various games, including boules and rounders.

The costumes really looked the part, and people had made a genuine effort to join in the spirit. There were prizes for the best dressed gentleman and lady. Well done to Leon and Alison, and, of course, all the kids were winners.

The BBQ was a hit, the gazebo worked a treat, and the enjoyment and merriment continued well into the night, followed by a lazy sunny Sunday. Can life get any better than that?

**Wild West Rally to Naburn Lock. Thanks to the Commodore, Yvonne and the Commodore's Committee for a great day.**

**As you can see, I am trying to get Porthole out more regularly these days, but I need content. If anyone has any articles, musings or photos, please send them over and I can use them.**

**Next stop. Gin night. 1<sup>st</sup> June.**

**Enjoy the Bank Holiday.**
